Dear Wilson,

Ref: Security Excellence Awards 2008

Congratulations! You have been selected as a finalist in the **Customer Care Initiative of the Year** and **ACS Champion** categories in the Security Excellence Awards 2008. A complete list of finalists will be available to view from week commencing Monday 21 July at www.info4security.com/sea2008

This year we received a record number of entries, and the shortlist judging consisted of much discussion and debate. The judges were particularly impressed with the high calibre of entries received which made the judging session especially interesting and enjoyable. The independent judging panel will meet again in a few weeks to decide upon a winner in each category.

Photographs, Logos and Graphics

In the event that you are a winner on the night, we would like to feature a photograph of your entry/entrant on the on screen graphics and in the Awards supplement. Please email a photograph you feel truly captures the main aspects of your entry against a plain background, clearly marking it with the name of the product/initiative or innovation, your company name and the category in which you are a finalist. The colour photograph needs to be sent as a jpeg image, at least 20cm in height and 300dpi. Please note passport sized photographs are not suitable. Please also send your company logo in eps format. Photographs and company logos should be emailed to jknight@cmpi.biz by **Wednesday 6 August**.

In addition, we need to know who you would like to nominate to come to the stage to collect the award should you be a winner. In order that we represent this person correctly on the night, please complete the enclosed form, confirming the name and company name of your representative as well as name of the entry/entrant.

All the above information will appear on the on-screen graphics, in the Awards programme and Awards supplement, and be engraved on the trophy (should you be a winner), so accuracy is essential. Please complete and return the enclosed form to Jennifer Knight by fax on **020 7921 8505** or email jknight@cmpi.biz by **Wednesday 6 August**.
